

# Private Entertaining

## Business or Social

When it comes to private entertaining, Westmoor and "get more" are one and the same. The impressive Tudor-style clubhouse is the first indication that you and your guests are about to experience something very special. As you enter the Great Hall you are surrounded by an ambience that radiates splendor and elegance.

That warm welcoming feeling continues throughout the Club. Westmoor offers three exquisitely appointed rooms on the main level. Each is distinctively different with one eye catching feature in common...a breathtaking view of the magnificent outdoor amenities, lush surroundings, and stunning 18-hole golf course. On the lower level you'll find the seasonal, whimsical Winter Chalet. The Poolside Terrace is a spectacular setting for an outdoor summer event.

Westmoor can accommodate a table for two or a group of 250. No matter how many guests you invite, we'll make it simple for you to make it sensational. From helping you plan your menu to orchestrating your special day, evening or presentation, at Westmoor, meeting your expectation for perfection is what we do best.

Menu selections are extensive and flawlessly prepared by the Club's creative Executive Chef and his imaginative, experienced culinary team. If it's in your mind but not on the menu, just ask and we'll create it. Our superior service, attention to detail, and innovative recommendations are second to none.

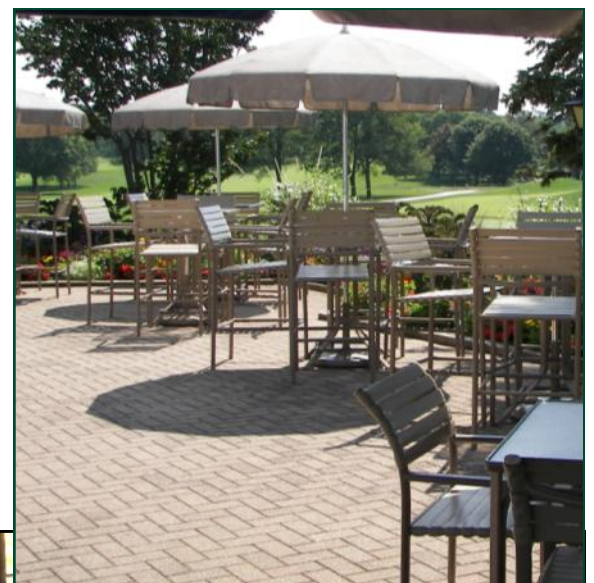

Going beyond your expectations is the "specialty of the house" at Westmoor. Social or business...casual or formal...big or small...wedding reception to corporate golf outing...you'll get more at Westmoor. We're a special place for every special occasion.
